

Family Camp Parent Letter

Through Kids On Mission, your children are being introduced to a missionary family in the Czech [pronounced CHECK] Republic in Eastern Europe. We want you to meet them, too.

Meet Harold and Ginger Johnson and their teenage sons, Taylor and Hayden. One of their ministries is a camp for whole families to come and hear the truth of Christ and have a chance to experience Christian fellowship.

You can see a video from their ministry at kidsonmission.org. You can also see the activities that your kids might have experienced.

Please help your kids know that their service to God starts now. Every kid who follows Jesus can be a kid on mission! Take time to discuss as a family the many ways that you all can serve God right where you are.

Will you pray together for the Johnson family and their ministry?

Here are some prayer requests they've shared:

- Pray for the Johnson family: Harold and Ginger and sons, Taylor (age 17) and Hayden (age 15).
- The Johnsons are working with a new church. Pray for this new church and its work in the community.
- Pray for weekly Bible discovery groups. Ask God to send many people who are curious about what the Bible says.
- Pray for the Family Camp and other outreach events. Many people in the Czech Republic are afraid to trust in Jesus. Pray that they will be willing to follow Him.
- Pray for the Christians who are in the Czech Republic. Ask God to make them bold in their faith so that they will tell others about salvation.
