

Breaking Barriers Parent Letter

Dear Parents,

Your kids have been learning about a part of the world called NAME. That stands for North Africa and the Middle East. You probably think of Arabs and desert when you think of this area. Ask your kids to tell you about some of the diverse people and places in NAME.

The people of NAME face many barriers to hearing the Gospel, like war, persecution and sickness. Your kids can explain how our prayers can powerfully break through those barriers. Please take time to pray together as a family for the people of NAME.

You can find daily prayer guides at namepeoples.imb.org.

Because of the war in Syria, more than 2 million refugees have fled to other countries. Your kids were urged to collect money for a few weeks that can be used to buy hygiene kits for Syrian refugees. Will you participate in this giving project with them? Find out more about giving at gobgr.com.

Thanks for keeping your kids on mission! Find out more at kidsonmission.org.
