

Conquering Fear parent Letter

Dear Parents,

Egypt is such a fascinating country! Your kids have seen the pyramids and the famous Sphinx, but they've also learned about the Desert People who need Jesus. Most of the people in the desert regions of North Africa and the Middle East do not know Jesus.

Egypt, and other NAME countries, can be pretty scary. If you watch the news, you see a lot of violence, political unrest and persecution of Christians. It's not an easy place to live and minister, but there are some committed Christians who have chosen to make NAME their home and share Jesus.

Our church wants to support these workers with our gifts and prayers. Ask your kids about the ways your family can pray for Christians in NAME. Also ask them about the chore sale. This is a project for kids to do household chores for money. All the proceeds will go to our missions offering. Thank you for your support of this event.

Watch all the videos your kids have seen on kidsonmission.org.

Thanks for letting your kid be a kid on mission!
