

Thomas' song

I searched, but I didn't find anyone like Jesus.
There's no one like Jesus.
I traveled, but I didn't find.
I went to Mali, but I didn't find [anyone] like Jesus.
I went to Niger, but I didn't find [anyone] like Jesus.
There's no one like Jesus.
I searched, but I didn't find.
I went around everywhere, but I didn't find.
I traveled, but I didn't find.
There's no one like Jesus.
I went to Togo, but I didn't see anyone like Jesus.
There's no one like Jesus.
I traveled, but I didn't find.
I searched, but I didn't find.
I looked everywhere, but I didn't find.
I went to Senegal, but I didn't see anyone like Jesus.
Have confidence in Jesus, He's their Savior.
He heals.
Have confidence in Jesus, He's their Savior.
He heals.
I brought [him] my anguish, He saved me.
In my distress, He's there.
In my anguish, He's there.
In my worries, He's there.
I have confidence in Jesus.
I surrender to Jesus.
I surrender to Jesus.
He's my Savior,
In the anguish I experienced,
In the anguish I experienced,
There's Jesus, He's there.
