

All tied up

Cut out the following prayer requests, punch holes where indicated and tie them together with string or ribbon. Hang them where you will see them and remember to pray.

Some people tie a string around their finger so they won't forget something important. You can tie a string around these prayer requests so you won't forget to pray for the missionaries working with unreached people groups in Africa.

Pray that God helps *missionaries* find people who want to know the truth about God

Pray that more Christians will desire to tell *unreached people* about Jesus.

Ask God to *prepare the hearts* of people in Africa to hear the truth about Him.

Pray for the *safety of missionaries* working in areas where Christians are not welcome.

Thank God for *the new believers* in Africa. Ask Him to give those believers the courage to share Jesus with others.
