

Finding Needs Parent Letter

Dear Parents,

Your kids have been learning about Southeast Asia. Many different people live in this part of the world. They believe different things, have different cultures, speak different languages and experience different needs. One thing they all have in common is their need for Jesus Christ. Out of the millions of people living in this part of the world, only a small number have heard that Jesus saves and meets every need. As believers in Jesus, we've all been given one goal — to tell others about Jesus.

Your children have been discovering different ways to share the gospel. We can use our words, we can give money so others can go, we can pray for people to hear, we can love others and we can meet needs. They have been challenged to get involved with what God is doing in Southeast Asia and at home.

Go to **kidsonmission.org** to watch some of the videos your children have been watching and continue to discuss some of the topics with them.

Thanks for all you do to keep your kids on mission!
