

PRAYER Power

A children's guide to praying for unreached people

All children who love Jesus can show their love for the people of the world through prayer.

Prayer has power! God says in Jeremiah 29:12, "You will call to Me and ... pray to Me, and I will listen to you."

Thousands of people groups around the world have never even heard of Jesus, and we don't know of any Christians who are telling them. God wants the praise of all nations, so we've got to get busy praying that someone will go and tell them!

You can help make this happen through your prayers.

HOW DO I START?

- * Choose a people group to pray for every day.
- * Circle the name of an unreached people group and start praying! Here are a few unreached people groups to choose from, but you can find more online at peoplegroups.org.

A people group is a group who shares the same language and way of life. Unreached people groups are the people who don't know about Jesus. They can live in many places around the world. They might even live in your cities or communities!

Malay of Indonesia

Amazon people of Brazil

Nubian of Sudan

Songhai of Niger

Tibetans of Nepal

Hindi of India

PRAYER Power

WHAT SHOULD I PRAY?

Here is a simple guide to your prayers, but remember to pray as the Holy Spirit leads you. Write in the blanks below as you say this prayer:

Dear God, I pray for the

_____ people.

I pray:

- that you will send Christians to them to tell them about Jesus.
- that the people will have a chance to learn the gospel and accept Jesus as Lord and Savior.
- that they will tell others what they learn about You.
- that (write your own request)

_____ Amen.

As you discover more about your people group, you'll know more things to pray. For example, you might find out that people who choose to follow Jesus are persecuted. Now you can pray that God will protect them and that they will be bold in their faith.

Big cities in the world are home to many unreached people. In London, England, for example, there are more than 300 languages spoken! That means people from all over the world live there and might not have even heard of Jesus.

HOW CAN I FIND OUT MORE ABOUT THEM?

With a parent or adult leader's permission, do some online research about the people you are praying for. Start with peoplegroups.org and imb.org. A simple search of their name might give you a lot of information.

What are five things you've discovered?

1. _____
2. _____
3. _____
4. _____
5. _____

***Challenge yourself to turn each fact
into a prayer request to God.***

Try to make prayer for unreached people a habit!

**Start with praying the same time every day
for a week. Soon, you'll be remembering
to pray for the salvation of all God's people.**

Now that's PRAYER power!
