

Keep Praying parent letter

Dear Parents,

During our Kids On Mission time, your kids have been visiting Israel. People of all religions come to Israel because Jesus spent most of His life on earth there, ministering and sharing with others about God, His Father. It is customary for many to go to Israel to pray because they feel like they will be closer to Jesus, but the Bible says we can pray to God anytime, anywhere about anything. Prayer is a very important part of global missions. We can be a part of what God is doing all over the world, through prayer.

Go to www.kidsonmission.org/prayer to find updated prayer requests and stories from missionary kids serving all over the world. As a family, make it a daily routine to lift up those who are telling people about Jesus all over the world. It's pretty cool to play such an important part in what God is doing in other countries from our own homes!

Visit kidsonmission.org to watch videos from the **Keep Praying** mission's experiences. These are free to watch from the website.

Thanks for being a family on mission!
