

# Keep it Going parent letter

Dear Parents,

Here's what your kids have been learning in Kids On Mission! Christian workers in Asia are providing clean water to villages in Asia. By meeting needs, they also have the opportunity to share the gospel of Jesus Christ with people in the villages. Many have heard about His saving love for the first time, but that is not where this Good News stops! Those who have chosen to believe in Jesus are taking the gospel to other villages so many more people will have the chance to hear and put their faith in Jesus Christ.

Here's a fun family challenge: choose one day to plan to drink only water at every meal and between meals. As you drink the water, remember to pray that many people in Asia without clean water will soon have access, but most importantly that many will continue to hear and pass along the gospel to others.

Through the verses in Romans 10:17, (So faith comes from what is heard, and what is heard comes through the message about Christ.) your Kids On Mission have also been learning the importance of sharing God's Word with others so that they might have faith in His Son Jesus. Take some time to share with your children how you came to faith in Jesus Christ. If you've already done this, don't worry. It's a story worth repeating and passing on!

Visit [kidsonmission.org](http://kidsonmission.org) to watch videos from the **Keep it Going** missions experiences. These are free to watch from the website.

Thank you for your part in getting your Kids On Mission!
